

矽谷基督徒聚會

『僕人』門徒訓練計劃

2021

目標

以聖經及基督的生命為根基，以落實 SVCA 的異象與使命為導向，為教會培養青出於藍的領袖。這個門訓課程為一年，並且是一個繼續循環的培訓課程。

計劃

A. Roles 角色: Coach 導師, Servant 僕人, Overseer 監督

- SD1:
 - Pastor Yu is the coach to all SD1 brother servants (EM SD is under discussion with Pastor Yu now)
 - Pastor Nancy is the coach to all SD1 sister servants
- SD2
 - Some SD1 servants will be coaches to SD2 servants
 - SD2 coaches --->SD2 servants (with a regular update provided by the 'coach' of each group to its 'overseer')
- SD and ND
 - Each SD servant will be either the overseer of a set of ND groups or the facilitator of one ND group

B. Structure: Small-Group and Big-Group 小組 及大組

- Basically, the SD program is held on a small-group basis. There will be times for all SD groups to get together (the Big Group).
- Each SD small group is composed of mixed members from different districts or SG's, though districts and service departments have been put into consideration.
- The first big-group meeting will kick-off on 3/28. The small group will meet once a month starting from April.

C. Program

- Pastor Yu will provide a 30-minute lecture each month with supportive reading material and practice assignments.

- SD servants will finish lecture class and assignments individually **before** the group meeting.
- SD coaches will call for a group meeting once a month, but not limited to. The meeting will be in fellowship format focusing on applying the subject of the lecture into real service at church.
- SD coaches shall put more emphasis on exemplifying what to be discussed (我做你看) and establish an ongoing “co-disciple” (一同做主門徒) relationship with the group members throughout the whole year.
- SD servants shall learn to be humble, teachable, and moldable, setting mind to demonstrate changes at the end of the program.
